

MISSOURI DEAD/SICK BIRD CALL DECISION TREE

Purpose: To triage calls regarding dead/sick birds from citizens and others to local, state, and/or federal agencies for follow-up. If **HUMAN HEALTH CONCERNS** are raised by the caller beyond disposal instructions, refer caller to his/her physician, local public health agency¹, or DHSS DSR at 1-800-392-0272.

5/23/06

Footnotes/Attachments:

¹ Attachment 1: Local public health agency offices and contact information

² Attachment 2: Reportable farm birds

³ Attachment 3: Missouri Department of Conservation Regional Offices and contact information

Attachment 4: Bird disposal instructions

Attachment 5: Agency-specific qualifying information (used to filter out unnecessary referrals)
